**\*\*If it rains or thunders before a meet or practice, check the Gath Pool website at <https://www.newtonma.gov/government/parks-recreation-culture/aquatics/gath-pool> or call Gath pool office at 617-796-1520. If at all possible, practices and meets will be held in the rain.**

**If you are unable to attend a scheduled meet, please complete a Meet Absence Report on the team website 48 hours in advance so we can finalize our line-up before the meet begins. If your plans change, no problem. We are always happy to add a swimmer back into a swim meet. Complete the Meet Absence Correction form. Any concerns or questions, please feel free to call us at home as our pool time is limited.**
