Home meets at Gath begin at 6:00 p.m. **Please have swimmers at the pool by 5:00 p.m. ready to warm up. Newton's warm up time is 5:00 – 5:30.** Home meets end at approximately 7:45 p.m. Newton Bluefish Swim Team is a travel team so swimmers must be willing to compete in away meets to be a member of the team.

Swimmers must compete in 5 meets to compete in the championship meet!

****If it rains or thunders before a meet or practice, check the Gath Pool website at <https://www.newtonma.gov/government/parks-recreation-culture/aquatics/gath-pool> or call Gath pool office at 617-796-1520. If at all possible, practices and meets will be held in the rain.**

If you are unable to attend a scheduled meet, please complete a Meet Absence Report on the team website 48 hours in advance so we can finalize our line-up before the meet begins. If your plans change, no problem. We are always happy to add a swimmer back into a swim meet. Complete the Meet Absence Correction form. Any concerns or questions, please feel free to call us at home as our pool time is limited.
